Well-being Manifesto (nef - the new economics foundation)

Posted on 14 September 2011

Organisation

nef (the new economics foundation)

Purpose

This well-being manifesto seeks to answer the question "what would politics look like if promoting people's well-being was one of government's main aims?"

Project Goals / Aspirations

1 - Measure what matters

2 - Create a well-being economy

3 - Reclaim our time

4 - Create an education system that promotes flourishing

5 - Refocus the health system to promote complete health

6 - Invest in the very early years and parenting

7 - Discourage materialism and promote authentic advertising

8 - Strengthen civil society, social well-being and active citizenship

How does the Well-being Manifesto goals fit within the MAP2010 framework?

for more information on the MAP2010 frameworks see here

4 - Create an education system that promotes flourishing

5 - Refocus the health system to promote complete health
